

Premier one-stop aesthetic & wellness clinic. Comprehensive services in a sophisticated setting. Physician-led with a strong clinical foundation. Ripe for commercial expansion.

## Investment Highlights

### Integrated Wellness

The clinic offers an extensive and integrated suite of services spanning **facial aesthetics, body treatments, hair restoration**, and a wide array of specialized wellness programs. This positions it as a comprehensive destination catering to clients seeking both aesthetic enhancements and holistic health solutions.

### Diverse Revenue Streams in High-Growth Markets

With offerings from **advanced laser treatments and injectables** to proactive wellness therapies like **vitamin drips, detox, and stress management programs**, the company taps into multiple, high-growth segments of the aesthetic and wellness markets.

### Strong Foundation for Business Optimization and Growth

The current physician-owner has built a clinically robust operation. This provides a solid platform for a new owner to implement enhanced business management systems, strategic marketing initiatives, and scale commercial operations for increased profitability and market share.
